Action Required : See Para 3

References : A. EGFW-12292, 7 April 1961  
B. EGFA-33935, 14 April 1961  
C. EGFA-33935, 17 April 1961

1. We concur with reference B in your analysis of the questions raised in reference A.

2. ANGASSONARY/34 is no longer being considered by ☐ as a HEDSKIN candidate. We feel sure A/34 would not go since the original purpose was to see his mother and she has emigrated to Sweden.

3. Reference C. We believe it would be mutually advantageous to ☐ and FCB if ☐ could be present in ☐ for a few days EBY when A/29 returns for the reference C debriefing. It would give ☐ an opportunity to discuss the future prospects of the AERODYNAMIC project with us and perhaps lead to a quickening of the operational pace which A/29 may be able to generate in ☐ with the ANGASSONARY/34.
